Dear Friend:

Are you interested in better utilization of existing space?

The Lundia FULLSPACE System doubles your accessible records, supplies, books, magnetic tapes and parts storage within existing space.

D. N. Owens Company, your local FULLSPACE dealer, has been in the specialty office equipment business for over 50 years. In our opinion this is the most efficient space saving equipment on the market.

The United States Air Force, the United States Army, the Department of Agriculture and C.I.A. are current users of Lundia products. Chase Manhattan Bank, Bausch & Lomb, J. C. Penney, Sears Roebuck & Company, Hahn Shoe Stores, and Peoples Drug Stores are among the leading Retail and Commercial accounts using Lundia.

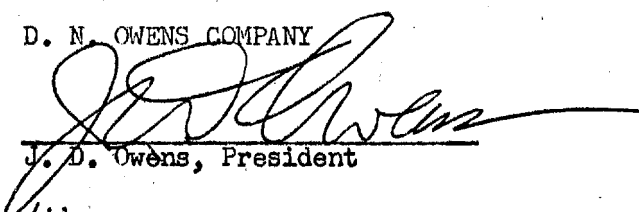

In the next few days you should receive a formal invitation to see this unique equipment on display in our office. In the unlikely event you do not, please consider this as your invitation.

We look forward to seeing you at our offices at the above address between 10 A.M. and 4 P.M. on November 15 and 16, 1966.

Any of your associates to whom this may be of interest are also cordially invited to attend.

Sincerely yours,

D. N. OWENS COMPANY

J. D. Owens, President
